

West Feliciana HISTORICAL SOCIETY

The West Feliciana Historical Society is thrilled to announce the inaugural Azalea Polo Classic that will take place at 2:00 PM, Sunday, April 16, 2023, on the grounds of the West Feliciana Parish Park. Mark your calendars now! The event will feature an official polo match from the New Orleans Polo Club (NOPC). It will be an afternoon of frolic, regalement, and entertainment.

The NOPC, comprised of male and female players, is recognized by the United States Polo Association (USPA). Currently the New Orleans group is the only active polo club in the state. True to its international heritage, the NOPC hosts players from a variety of nations including Argentina, Australia, Brazil, the Dominican Republic, Egypt, England, France, Guatemala, Mexico and New Zealand.

Patrons can look forward to enjoying an exciting equestrian event while relishing live music, cocktails, and hors d'oeuvres. The West Feliciana Historical Society will use all proceeds to help maintain the museum, pay the salary of the museum director and part-time curator, create exhibits, refurbish exhibits, support the preservation of papers and other relics, and encourage tourism.

Sponsoring this occasion is a great way to promote your business and give back to the community by recognizing the importance of the society's museum and supporting their continuing efforts to educate and promote our rich past and promising future.

Please consider supporting and sponsoring this momentous affair. The West Feliciana Historical Society values your contribution, and we hope to see you at this "certain-to-be" afternoon of fun.
